

Cable Street

Submission Guidelines for *Cable Street* (formerly *Witty Partition*):

Prose submissions, original or translation—requirements checklist

- Microsoft Word document, .doc or .docx
- Font: 12 point, Times New Roman, Double spaced
- All text should be flush left, and unjustified right
- Use block paragraphs (no indentation) with an extra line space between paragraphs
- If the work is a translation, please provide the work in the original language along with the translation; please note that all proofreading in the original language is the responsibility of the translator, since our proofreaders may not know the original language
- Include your ≤75 word biography and, if applicable, the ≤75 word biography of the writer you have translated at the end of your document

Commented [DD1]: Recommend skipping the request to send as a PDF—WP should not give writers that kind of opportunity to determine layout. With poems, the Word Document should be enough to show layout.

Poetry submissions, original or translation—requirements checklist

- Microsoft Word document, .doc or .docx
- Font: 12 point, Times New Roman, Single spaced
- Use paragraph breaks and tabs to divide stanzas and create indentations in the layout of each poem; do not use spaces via space bar to show indentations
- If the work is a translation, please provide the work in the original language along with the translation; please note that all proofreading in the original language is the responsibility of the translator, since our proofreaders may not know the original language
- Include your ≤75 word biography and, if applicable, the ≤75 word biography of the writer you have translated at the end of your document

Visual art submissions, either as stand alone art or art accompanying prose/poetry submission—requirements checklist

- JPEG or PNG file; can be sent as individual files or in a zipped folder
- Do not send overly large high-res files; as an online publication, we do not need files with high resolution.
- A file in Word, .doc or .docx, providing a) any art captions and b) your ≤75 word biography
